

COLORADO'S COMMUNITY, FARMWORKER/MIGRANT, SCHOOL-BASED & HOMELESS HEALTH CENTERS

(F) = Farmworker/Migrant Site (M) = Mobile Health Care Unit (S) = School-Based Health Center, limited services

Forty-four counties have Community Health Center (CHC) sites, and patients from a total of 62 counties receive care at CHCs. CHCs provide integrated primary care services. Contact the CHC directly or visit cchn.org/map for specific details on medical, dental, and behavioral health services available at each location.

Revised 6/20

Counties with CHC sites
 Counties served by a neighboring CHC
 Counties without easy access to CHC sites
